“ Loved when Cathy and family moved to Olive Branch. I finally had girls around my age close. Almost lived at their house first summer. I lost contact with so many of my family thru the years. This never lessen my love for them. My heart goes out to you Diane. Out living all u r siblings. I only have one brother living still as lost three. We actually live together now. The youngest Charles Elmer helps me greatly. My thoughts and prayers are with you and all of Cathy's family. I am unable to make it to service.
