“ I've had the pleasure of working with Kevin for almost 18 years. He was truly a joy to be around, and his unforgettable laugh could brighten anyone's day. Kevin would often share days of growing up in California, his time in the service, and the adventures of playing professional darts with Ginny. He always had a smile on his face, and his positive spirit left a lasting impact on many of us at Titan Transfer, he will be deeply missed. Our thoughts and prayers are with his family during this time.
